Grant Kee

Lifelong Learner
Web Developer

817.614.5289
grant.d.kee@gmail.com
Austin, TX 78725

Skills

Front End: React, Redux, Material-UI, ES6, JQuery, Bootstrap 4, SCSS

Back End: Node.js, Express.js, MySQL, JWT, Auth0

Other: Ruby, Python, Jekyll, GitHub, CircleCI, S3cmd, DigitalOcean, GCP

Experience

github.com/grantkee
linkedin.com/in/grantkee

I'm a diligent and detail-oriented team player who thrives under pressure, and I'm looking to join a fast-paced team where I can continue to grow as a developer. In my spare time, I continue to advance my back end development skills and focus on cyber security. Technology is ever-changing, and I strive to be in the forefront.

Beatleology | https://github.com/grantkee/beatleology-redux

Project to strengthen my back end development skills using JSON Web Tokens for authorization and authentication, MySQL, and Express.js | Quiz based on Beatleology by Adam and Roger Jaquette.

DME 4 Me | https://github.com/grantkee/atp-form

Custom tool for DME (*durable medical equipment*) providers to process intake for new and existing clients and coordinate health benefits.
